

CORPORATE ANNOUNCEMENT (Jan 11, 2013)

Dear Sirs

We wish to clarify that the work is going on smoothly at both Amravati and Nashik thermal power projects and we expect to commence production of electricity at both the power projects by end of March 2013. We further inform you that Central Electricity Authority has carried out necessary rectification in its status report and has updated the same on its website.

Thanking you,  
Yours truly  
For **Indiabulls Power Limited.**
