Item No. 9 and 10:

The Company is contemplating to design long term incentive plan in order to attract, reward and retain talented and key employees in the competitive environment and encourage them to align individual performance with the organizational goals. The Board of Directors of the Company (hereinafter referred to as the 'Board', which term shall include the Nomination & Remuneration

Committee and Compensation Committee constituted by the Board or any other Committee which the Board may constitute to act as the 'Compensation Committee' under the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (the 'SEBI ESOP Regulations') or their delegated authority) has proposed RattanIndia Infrastructure Limited Employees Stock Option Plan 2019 ("**RIL ESOP 2019**"). As members are aware, employee stock option plans are considered as an effective tool to attract and retain the best talent and also serves to attract, incentivize and motivate professionals and reward exceptional performance. The number of equity shares to be issued and allotted under the RIL ESOP 2019 shall not exceed 4,14,00,000 (Four Crore Fourteen Lakhs) equity shares of the Company. In case of any corporate action(s) such as right issues, bonus issues, change in capital structure, merger, split, consolidation of equity shares, sale of division/undertaking and others, the ceiling as aforesaid of 4,14,00,000 (Four Crore Fourteen Lakhs) equity shares shall be increased/decreased to facilitate making a fair and reasonable adjustment to the entitlements of participants under the RIL ESOP 2019.

The salient features of the RIL ESOP 2019 are set out below :

It may be noted that the stock option scheme of the Company does not involve any secondary market acquisition or setting up of a trust for its implementation and administration. Hence, no information is being provided in the explanatory statement under the broad heads mentioned in the SEBI circular CIR/CFD/Policy/Cell/2/2015 dated June 16, 2015, relevant to such areas.

a. Brief description of the Scheme – RIL ESOP 2019

The Company proposes to introduce RIL ESOP 2019 to attract, reward and retain talented and key eligible employees of the Company in the competitive environment and encourage them to align individual performance with the organizational goals. The Company views employee stock options as instruments that would enable the employees to share the value they would create and contribute to the Company in the years to come.

b. Total number of Options to be granted

The stock options to be granted to the Eligible Employees under the RIL ESOP 2019 ('Options'), in one or more tranches, shall not result in issue of equity shares in excess of the limit stated above. This ceiling will be adjusted for any future bonus issue of equity shares or stock splits or consolidation of equity shares and also may further be adjusted at the discretion of the Board for any corporate action(s). The Options which do not vest, would be available for being re-granted at a future date. The Board is authorized to re-grant such Options as per the provisions of RIL ESOP 2019, within the overall limit stated above, subject to the SEBI ESOP Regulations.

c. Identification of class of employees entitled to participate in the RIL ESOP 2019

Following classes of employees are entitled to participate in the RIL ESOP 2019:

- (i) Permanent employees of the Company and its holding / subsidiary companies, if any in future, (collectively referred to as the 'Group') whether working in India or outside India
- (ii) Directors of the Group, whether whole-time or not but excluding independent directors
- (iii) such other employees and persons as may be permitted under the applicable laws and as may be approved by the Board, from time to time.

Following persons are not entitled to participate in the RIL ESOP 2019:

- a) an employee / director who is a promoter or a person belonging to the promoter group; and
- b) a director who either by himself or through his relative(s) or through any body corporate, directly or indirectly, holds more than 10% of the outstanding equity shares of the Company.

d. Requirements of vesting, period of vesting and maximum period within which the Options shall be vested

The Board may, at its discretion, lay down certain performance matrix on the achievement of which such Options can vest, the detailed terms and conditions relating to such performance-based vesting, and the proportion in which Options granted can vest, subject to the minimum vesting period of one year between grant of Options and vesting of Options. The maximum vesting period may extend up to 5 (Five) years from the date of grant of Options or such other period as may be decided by the Board. The equity shares arising from the exercise of stock options shall not be subject to any lock-in provisions.

e. Exercise price or pricing formula

Subject to the SEBI ESOP Regulations, the exercise price shall be fixed by the Board at its discretion and will be specified in the grant letter but the same shall not be higher than the market price (i.e. latest available closing price on a recognized stock exchange having highest trading volume on which the equity shares of the Company are listed) of the equity shares at the time of grant however subject to the condition, the exercise price shall under no circumstances be less than the face value of the equity shares of the Company, which may be treated as the floor price for the purpose. The same shall be subject to any

fair and reasonable adjustments that may be made on account of corporate actions of the Company in order to comply with the SEBI ESOP Regulations.

f. Exercise period and the process of Exercise

Exercise Period would commence from the vesting date and would expire not later than 5 (Five) years from the date of grant of Options or such other period as may be decided by the Board. The vested Options are exercisable by the Eligible Employees by a written application to the Company expressing his/her desire to exercise such Options in such manner and on execution of such documents, as may be prescribed by the Board from time to time. The Options shall lapse if not exercised within the Exercise Period.

g. Appraisal process for determining the eligibility under the RIL ESOP 2019

The appraisal process for determining the eligibility shall be decided by the Board from time to time.

h. Maximum number of Options to be issued per employee and in aggregate

The number of Options to be granted to an Eligible Employee under RIL ESOP 2019 can be decided by the Board. The total number of Options granted under the RIL ESOP 2019 shall in no event be equal to or more than 1% of the issued and paid-up equity share capital of the Company at the time of the grant of option.

i. Whether RIL ESOP 2019 is to be implemented and administered directly by the Company or through a trust

RIL ESOP 2019 will be implemented by the Company directly in compliance with the SEBI ESOP Regulations and other applicable compliances, as may be decided by the Board.

j. Whether the RIL ESOP 2019 involves new issue of shares by the Company or secondary acquisition by the trust or both

RIL ESOP 2019 contemplates new issue of equity shares by the Company.

k. Accounting and Disclosure Policies

The Company shall follow the relevant Indian Accounting Standards (Ind-AS), prescribed from time to time, including the disclosure requirements.

l. Method for valuation of Options

The Company shall use the Fair Value method for valuation of the Options granted to calculate the employee compensation cost. In case the Company opts for expensing of share based employee benefits using the intrinsic value, the difference between the employees compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value, shall be disclosed in the Directors' Report and the impact of this difference on profits and on earnings per share ('EPS') of the Company shall also be disclosed in the Directors' Report.

Regulation 6(1) of the SEBI ESOP Regulations requires that every employee stock option scheme shall be approved by the members of the company by passing a special resolution in a general meeting. Further, as RIL ESOP 2019 may entail further issue of equity shares, consent of the members is required by way of a special resolution pursuant to Section 62(1)(b) of the Companies Act, 2013. Accordingly, the Special Resolution set out at Item No. 9 of this Notice is proposed for approval by members. As per the SEBI ESOP Regulations, approval of member(s) by way of a separate Special Resolution is also required to be obtained by the Company, if the benefits of the RIL ESOP 2019 are to be extended to the employees of the holding/subsidiary Company. The special resolution set out at Item No. 10 proposes to cover the employees of the holding/subsidiary companies of the Company (present/ future) under the RIL ESOP 2019.

The Options to be granted under the RIL ESOP 2019 shall not be treated as an offer or invitation made to public for subscription of securities of the Company. The RIL ESOP 2019 conforms to the SEBI ESOP Regulations. Draft scheme of the RIL ESOP 2019 is available for inspection at the Registered Office of the Company during office hours (11.00 A.M. to 1.00 P.M.) on all working days until the date of AGM.

Directors / Key Managerial Personnel of the Company / their relatives who may be granted Options under the RIL ESOP 2019 may be deemed to be concerned or interested in the Special Resolutions at Item Nos. 9 and 10 of this Notice. Save as aforesaid, none of the Directors / Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Special Resolutions. The Board commends the Special Resolutions set out at Item Nos. 9 and 10 of this Notice for approval by the members.

Item No. 11:

RattanIndia Infrastructure Limited is a Company incorporated with the objectives of carrying out the business of generation and distribution of power, development and commissioning of power plants and power advisory business. While in the past the company has been engaged in the power advisory business, options of venturing into other business areas, in terms of the objects of its

incorporation, are carefully explored so that the Company could embark upon a suitable opportunity. This would also involve garnering affordable finance from various sources, well in time. Therefore it is sought to raise finance *inter alia*, from certain related parties, which would be less cumbersome procedurally and affordable financially and otherwise.

It is in this connection that the Company has therefore been in negotiations with the related parties as mentioned in the table given below, for procurement of funds therefrom, pursuant to which each such party has agreed to make finance available to the Company in the shape of loan(s) from time to time during the financial year 2019-2020 or the financial years that follow, subject to the condition that if in the subsequent financial years, the consolidated turnover or net worth of the Company, dictate that, commensurate with the amount of loan sought to be made, the approval of the shareholders needs to be obtained afresh, the company shall approach the shareholders for such an approval before such further loan is made to the Company.

While the transactions would be at an arms-length basis, these could nevertheless constitute material related party transactions and hence prior to effectuation of the same, it is necessary for the Company to procure the approval of the shareholders by way of an ordinary resolution as set out at item no. 11 of the notice.

The important details of the transaction are briefly set out as under:

Name of the Related Party (1)	Name of the Director or Key Managerial Personnel who is related, if any (2)	Nature of relationship (3)	Nature and particulars of the proposed contract (4)	Material terms of the Contract including value (5)	Any other information relevant or important for the members to take a decision on the proposed resolution (6)
Priapus Developers Private Limited (PDPL)	Mr. Rajiv Rattan	A trust established for the benefit of the family members of Mr. Rajiv Rattan, beneficially owns the entire shareholding of PDPL.	A contract whereby PDPL would be lending money to the Company for business purposes	The rate of interest to be charged would be 13 % due and payable at the end of tenure and the period of repayment would be 5 years subject however to the condition that the contract may be terminated earlier / extended further with the mutual consent of the parties concerned.	The loan amount shall not exceed Rs. 500 crore, made in one or more tranches. Further, the loan shall be unsecured and the rate of interest sought to be charged is in conformity with the requirements of Section 186 (7) of the Companies Act, 2013.
Tupelo Builders Private Limited (TBPL)	do	A trust established for the benefit of the family members of Mr. Rajiv Rattan, beneficially owns the entire shareholding of TBPL.	A contract whereby TBPL would be lending money to the Company for business purposes	The rate of interest to be charged would be 13 % due and payable at the end of tenure and the period of repayment would be 5 years subject however to the condition that the contract may be terminated earlier / extended further with the mutual consent of the parties concerned.	The loan amount shall not exceed Rs. 500 crore, made in one or more tranches. Further, the loan shall be unsecured and the rate of interest sought to be charged is in conformity with the requirements of Section 186 (7) of the Companies Act, 2013.
RR Infralands Private Limited (RR IPL)	do	Mr. Rajiv Rattan beneficially owns the entire shareholding of RR IPL	A contract whereby RR IPL would be lending money to the Company for business purposes	The rate of interest to be charged would be 13 % due and payable at the end of tenure and the period of repayment would be 5 years subject however to the condition that the contract may be terminated earlier / extended further with the mutual consent of the parties concerned.	The loan amount shall not exceed Rs. 500 crore, made in one or more tranches. Further, the loan shall be unsecured and the rate of interest sought to be charged is in conformity with the requirements of Section 186 (7) of the Companies Act, 2013.

Thus resolution set out in item no. 11, as recommended by the Board is now being placed before the Members for their approval by way of Ordinary Resolution.

Except Mr. Rajiv Rattan, none of the Directors / Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the said Ordinary Resolution.

Item No. 12

Sinnar Thermal Power Limited (“STPL”) a wholly owned subsidiary of RattanIndia Power Limited (“RPL”), a company in which the Company is substantially interested, has approached the Company with a request for possible direct or indirect financial assistance of upto INR 500,00,00,000/- (Rupees Five Hundred Crore) in future, for the purpose of meeting its fund requirements (working capital or otherwise) in respect of 1350 MW Phase-1 Sinnar Thermal Power Plant, located at Plot A-1, Additional MIDC SEZ Area, Musalgaon, Gulvanch, Sinnar, Dist.- Nashik-422112, constructed and developed by STPL (“Sinnar Thermal Power Project”) for generation and supply of electricity.

The major terms on which the direct financial assistance is sought to be granted are as under:

Amount: Upto INR 500,00,00,000/- (Rupees Five Hundred Crore), in one or more tranches.

Period of repayment: Five years. However upon such expiry it shall be renewable for such further periods and on such terms as may be mutually agreed upon between the two parties.

Rate of interest: 13% due and payable at the end of the tenure of the agreement.

Nature of Security: Unsecured

The members would appreciate that the raising of loans from an external entity in the present day economic scenario, is extremely difficult and could entail exorbitant terms as to the rate of interest and conditions of repayment.

The members would also appreciate that STPL, through RPL, represents a major business interest for the Company. It is therefore commercially as well as operationally prudent for both the entities to stand by each other so that any impediments to the operation of the Sinnar Thermal Power Project can be removed to the extent possible.

The aforesaid transaction falls within the purview of Section 185, 186 and 188 of the Companies Act, 2013 read with Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 mandating the prior approval of the shareholders by way of special resolution before any such transaction is given effect to.

Accordingly a resolution to such effect has been set out at item no. 12 of the notice and is recommended by the Board, for approval of the members

None of the Directors or Key Managerial Personnel of the Company or their respective relatives is/are concerned or interested, financially or otherwise, in passing of this Resolution.

Item No. 13

The Company may have to make investment in the shares/securities of RattanIndia Power Limited (RPL) from time to time in future and/or provide direct/indirect financial assistance to RPL by way of making direct loans or extending its guarantee or providing security on its assets/property, in respect of loans made by a third party to RPL or by RPL to a third party, to which effect a request has already been received from RPL.

Since the proposed investment, loans, guarantees or securities by the Company would be substantial and could go beyond the limits laid down under Section 186 of the Companies Act, 2013, prior approval of the members by way of the Special Resolution set out at Item No.13, would be required and the same is accordingly recommended by the Board, for approval of the members.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in the resolution.

Item No. 14

RattanIndia Power Limited (RPL) has approached the Company with a request for financial assistance of upto ₹ 5000,00,00,000/- (Rupees Five Thousand Crore) for meeting its working capital, operational capital or other financing requirements of RPL (including settlements of its outstanding debt) in relation to its 1350 MW Phase-I Amravati Thermal Power Plant (Amravati Thermal Power Project).

Additionally since RPL could also have to procure guarantees or provide security for loans made /to be made by a third party (including banks or financial institutions) to RPL, it has also requested the Company for an indirect financial assistance in the form of such guarantee(s) or security(ies). Further ratification is also sought for past transactions, if any, of the like nature between the two companies, which could be construed as such.

The major terms on which the direct financial assistance is sought to be granted are as under:

Amount: Upto ₹ 5000,00,00,000/- (Rupees Five Thousand Crore), in one or more tranches.

Period of repayment: Five years or such other periods, as may be mutually agreed upon between the Company and RPL, renewable with mutual consent

Rate of interest: 13% or such other rates, as may be mutually agreed upon between the Company and RPL.

Nature of Security: Unsecured, unless otherwise agreed upon between the Company and RPL.

The resolution passed by the members in the 8th Annual General Meeting held on September 28, 2018, was for a lower amount and applicable to specific fund requirements of RPL. However, in the changed scenario post the passing of the resolution, greater financial commitments, covering a wider range of financial requirements of RPL, could be required. This has given rise to the need for securing a fresh approval of the Shareholders in terms of Section 185 or other applicable provisions of the Companies

Act, 2013 and rules framed thereunder, for which purpose the Special Resolution has been set out at Item No. 14 of the notice and is recommended by the Board, for approval of the members.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives is/are concerned or interested, financially or otherwise in passing of the Resolution set out at Item No. 14.

HDFC Bank Limited
State Bank of India

ECONOMIC OVERVIEW

The Indian economy started the fiscal year 2018–19 with a healthy 8.2 percent growth in the first quarter on the back of domestic resilience. Growth eased to 7.3 percent in the subsequent quarter due to rising global volatility, largely from financial volatility, normalized monetary policy in advanced economies, externalities from trade disputes, and investment rerouting. The Indian economy is likely to sustain the rebound in FY 2018-19 growth is projected to be in the 7.2 percent to 7.5 percent range and is estimated to remain upward of 7 percent for the year ahead. These projections could be attributed to the sustained rise in consumption and a gradual revival in investments, especially with a greater focus on infrastructure development. The improving macroeconomic fundamentals have further been supported by the implementation of reform measures, which has helped foster an environment to boost investments and ease banking sector concerns. With key economic policies on track, the government is likely to focus on faster policy implementation in the year ahead, with a greater focus on infrastructure development. Government push may encourage muted private investors to participate, thereby fostering private sector expenditure and boosting investments. On the flip side, however, increased borrowing by the government may reduce the pool for the private sector to borrow from, stalling any expansionary strategies. That being said, we believe that a key step toward healthy economic growth lies in reviving private sector investment, given that these have remained at low levels over the past several quarters.

Mr. Rajiv Rattan
Chairman

There is no doubt that India's recent budget has tried to strike a balance between fiscal prudence and growth. However, with risks looming large, India needs to solidify its investment position while maintaining fiscal deficit within the target range. The need to remain steadfast on fiscal numbers has risen largely from the need to stimulate growth amid pressure to cut taxes, increased budgetary allocations to social sectors, and enhanced infrastructure spending that could pressure public finance. Therefore, meeting the revenue collection and disinvestment targets would be crucial to ensure the budgeted reduction in the fiscal-deficit-to-GDP ratio. Overall, the government could do well to carefully manage its public finances and shift focus to projects that can foster private investment. The real challenge is likely to arise from making the right policy decisions about the fiscal expenditure mix and incentivizing private players so as to avoid any long-term costs. After two sub-par years, interjected by demonetization and rollout of the Goods and Services Tax (GST), growth is seen recuperating to a respectable 7.5% next fiscal. India has emerged as the fastest growing major economy in the world India has already surpassed France to become the sixth-largest economy. By 2019, it may become the fifth-largest economy and possibly the third-largest in 25 years. The outlook is positive for India, one of the fastest-growing economies. Fostering private investment and careful management of public finances could help the economy go a long way.

INDUSTRY OVERVIEW

Infrastructure sector plays an important role in the growth and development of Indian economy. Nearly, 9% of India's GDP is spent on Infrastructure services. It comprises of construction of power, bridges, dams, roads and urban infrastructure development which also forms as base and supporting factor for other services sectors. As infrastructure is highly responsible for propelling growth of other sectors and India's overall development, Government of India is giving huge impetus for development of Infrastructure and construction services through focused policies such as open FDI norms, large budget allocation to Infrastructure sector, Smart cities mission, etc. India has become a large market for Infrastructure and Construction activities. The infrastructure is important for faster economic growth and alleviation of poverty in the country. The adequate infrastructure in the form of road and railway transport system, ports, power, airports and their efficient working is also needed for integration of the Indian economy with other economies of the world. Infrastructure is the basic requirement of economic development. It does not directly produce goods and services but facilitates production in primary, secondary and tertiary economic activities by creating positive external economies.

The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads and urban infrastructure development. In 2018, India ranked 44th out of 167 countries in World Bank's Logistics Performance Index (LPI) 2018. The development of a country's infrastructure is vital to the growth of its sectors and the overall economy. The infrastructure sector is a key driver for the Indian economy. The increased spending in this sector has a multiplier effect on overall economic growth as it necessitates industrial growth and manufacturing. This in turn boosts aggregate demand by improving living conditions.

COMPANY'S POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS

As mandated under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Section 178 of the Companies Act, 2013 read with Companies (Meetings of Board and its Powers) Rules, 2014, the Company has a Nomination and Remuneration Committee in place, the constitution, the terms of reference and the scope of responsibility whereof are described in the Report on Corporate Governance, forming part of the Annual Report.

The selection and appointment of Directors and their remuneration owes its genesis to the policy formulated by the Nomination and Remuneration Committee within the four corners of its charter and scope of responsibility with due consideration to the stipulations under various applicable enactments and regulations, primarily including the Companies Act, 2013 and in particular Section 178(3) thereof, the Listing Regulations. In formulating the policy, care has been taken to ensure that criteria laid down therein enable the Company to strike a balance between what is mandated by law, in letter as well as spirit, the principles of sound corporate governance, the functional requirements of the Company and the industry norms. The Policy may be accessed on Company's website at the link: <http://www.rattanindia.com/ril/policies/>.

EVALUATION OF PERFORMANCE OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

Regular evaluation of the performance of the individual directors, the Board of Directors as a whole and the various committees of the Board, is not merely a legal requirement for the Company but a feature of its overall work policy, towards which end a

Board's Report (Contd.)

periodic performance evaluation exercise is carried out in the Company so as to ensure that the performance of the Board, the individual directors and the various Board Committees adheres to and in fact goes beyond the standards laid down for the purpose and in the event of any deviations between the actual and the standardized performance coming to light, immediate and necessary rectifications are effected.

As in the previous financial years, an annual evaluation of performance of the Board, the various Board Committees and the individual directors, the evaluation exercise carried out in the financial year 2018-19 involved the following:

- (a) Proper analysis of the laid down performance standards so as to ascertain as to whether any modifications were required in the same due to the change in the circumstances pertinent to the business of the Company, the developments in the business, the regulatory changes and the socio economic as well as geo political environment within and outside the Country, with the passage of time since the time, these standards had been laid down. The necessary adjustments/ modifications in such standards were made, wherever so required.
- (b) making the Board and the individual directors aware of the aforesaid modifications and circulating questionnaires, carefully drawn up in line with the performance standards and after factoring in the business and operational developments and changes, the financial and operational reports etc., among them so as to gather their feedback on the processes of the Board, processes of the individual committees and performance and functional efficacy and activeness of the individual directors, with the nature and size of the Company operations, the operational advantages and bottlenecks, the skill sets, knowledge and expertise of various directors.
- (c) A detailed study and evaluation of the responses so received and taking the measures dictated by such responses to initiate remedial measures wherever required.

It would be pertinent to mention here that performance evaluation of the Non-Independent Directors is carried out by Independent Directors who also assess the quantity, quality and timeliness of flow of information between the Company management and Board.

ANNEXURE 'B' TO BOARD'S REPORT

FORM NO – MR -3 SECRETARIAL AUDIT REPORT

For The Financial Year Ended on 31st March, 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014 and Regulation 24A of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended]

To,
The Members,

RattanIndia Infrastructure Limited

H.No. 9, First Floor, Vill. Hauz Khas,
New Delhi - 110016

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by RattanIndia Infrastructure Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by RattanIndia Infrastructure Limited for the financial year ended on 31st March, 2019 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings(in so far as these are applicable)
- v. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.: -
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 ;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

To the members of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited)

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited)** ('the Company'), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its Loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the preparation of the other information. Other Information does not include the financial statements and our auditor's report thereon.
5. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
7. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management's for the Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Independent Auditors' Report (contd.)

Auditor's Responsibilities for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

15. The Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. As required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

Annexure B to the Independent Auditors' Report

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF RATTANINDIA INFRASTRUCTURE LIMITED (FORMERLY KNOWN AS INDIABULLS INFRASTRUCTURE AND POWER LIMITED), ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the financial statements of **RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited)** ("the Company") as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of the Financial Statements

of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) for the year ended 31 March 2019

1. Corporate Information

Nature of Operations

RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) ("the Company") was incorporated on 9 November 2010 with an authorized share capital of ₹ 50 lakhs divided into 5 lakhs equity shares of face value of ₹ 10 each. During the financial year 2011-12, the face value of equity share was reduced to ₹ 2 per share. Pursuant to that, the authorized capital was increased by ₹ 29,950 lakhs and ₹ 500 lakhs during the financial year 2011-12 and 2013-14 respectively. It was further increased by ₹ 4,500 lakhs during the financial year 2015-16 resulting in total authorized capital of ₹ 35,000 lakhs. The Company's objects enable it to carry on the business of generating, developing, transmitting, distributing, trading and supplying all forms of the electrical power energy and to establish commission, set up, operate and maintain electric power generating stations and do all other related and ancillary objects.

Pursuant to and in terms of the Court approved Scheme of Arrangement under Section 391 to 394 of the Companies Act, 1956, by and among Indiabulls Real Estate Limited, RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited), Indiabulls Builders Limited, RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (RPL), Poena Power Supply Limited and their respective shareholders and creditors (Scheme 2011), which had been approved by the Hon'ble High Court of Delhi vide its order dated 17 October 2011 and came into effect on 25 November 2011, with effect from 1 April 2011 i.e. the Appointed Date, - (a) The Power business undertaking of Indiabulls Real Estate Limited (IBREL) which included the IBREL investment in the Company, stood demerged from IBREL and transferred to and vested in favor of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) (RIL) which had the effect of making RIL the Promoter Group/holding company of the RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) :-

- Certain Assets comprising of Fixed Assets and Loans and Advances in the IBREL aggregating to ₹ 18.40 lakhs have been transferred to the Company, at their book values;
- The Equity Share Capital of the Company amounting to ₹ 5 lakhs was cancelled;
- The Investment in RPL amounting to ₹ 59,250 lakhs had been transferred from IBREL to the Company;
- The net adjustment for such transfer of assets, liabilities and cancellation and issue of Equity Share Capital amounting to ₹ 35,079.82 lakhs has been shown in the Capital Reserve Account;
- Pursuant to the Scheme on 25 November 2011, the Company has issued and allotted 11,885.87 lakhs Fully Paid up Equity Shares and 843.70 lakhs Partly Paid up Equity Shares to the shareholders of Indiabulls Real Estate Limited, who were holding the shares, as on the Record Date i.e. 8 December 2011, in the ratio of 2.95:1.

Pursuant to the Scheme, the Authorized Share Capital of the Company has been reorganized to ₹ 30,000 lakhs divided into 15,000 lakhs Equity Shares Face Value of ₹ 2 each.

In terms of the Court approved Scheme of Arrangement which came into effect on 2 June 2012 (Effective Date), Indiabulls Infrastructure Development Limited (IIDL scheme 2012) was merged with RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (the Holding Company) as a going concern with effect from 1 April 2012, the Appointed Date under the Scheme, upon which the entire undertaking and the entire assets and liabilities of IIDL stand transferred to and vested in RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) at their book values. Pursuant to the Scheme as aforesaid, an aggregate of 4,154.07 lakhs Equity Shares of face value ₹ 10 each in RPL were issued and allotted in favor of the IIDL shareholders as on the Effective Date, thereby increasing the paid up capital of RPL to ₹ 264,273 lakhs divided into 26,427.30 lakhs Equity Shares of face value ₹ 10 each. Consequent to issuance and allotment of Equity Shares to IIDL, RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) (RIL) ceased to be the holding company of RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) w.e.f 20 June 2012.

During the financial year 2014-15 pursuant to the announcements on restructuring of the promoters' inter-se roles, there have been declassifications in respect of certain Promoters/Promoter Group Entities/Persons Acting in Concert with Promoters (PACs) of the Company, as was intimated by the Company to NSE and BSE (the Stock Exchanges) on 18 July 2014 and 28 October 2014 respectively.

Pursuant to an understanding arrived at between the erstwhile promoters of the Indiabulls group namely, Mr. Sameer Gehlaut, Mr. Saurabh Mittal and Mr. Rajiv Rattan, during the financial year 2014-15, Mr. Sameer Gehlaut and Mr. Saurabh Mittal relinquished the ownership rights, management and control as also the supervision of the Power Business. Accordingly Mr. Sameer Gehlaut and Mr. Saurabh Mittal transferred their direct and indirect shareholding in power group entities to Mr. Rajiv Rattan and the entities owned and promoted by him pursuant to an inter-se transfer and subsequently resigned from their directorships and chairmanship/ vice chairmanship of the Power Business respectively. Thus the ownership, management

and control of the Power Business and its supervision rights came to vest with Mr. Rajiv Rattan who also assumed the Chairmanship of the Power Business.

During the financial year 2014-15, in accordance with the provisions of Section 13 and other applicable provisions of the Companies Act, 2013, company has received fresh certificate of incorporation consequent upon change of name, from the Registrar of Companies, National Capital Territory of Delhi & Haryana, dated 3 November 2014 in respect of the said change. Accordingly, the name of the Company was changed to 'RattanIndia Infrastructure Limited'.

General information and statement of compliance with Ind AS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act, 2013 read with the Companies [Indian Accounting Standards ("Ind AS")] Rules, 2015 (by Ministry of Corporate Affairs ('MCA')) and relevant amendment rules issued thereafter. The Company has uniformly applied the accounting policies during the periods presented.

The financial statements for the year ended 31 March 2019 were approved by the Board of Directors on 20 May 2019.

2. Recent accounting pronouncements

New Accounting Pronouncement adopted by the company during the financial year

The Ministry of Corporate Affairs, on 28 March 2018, notified Ind AS 115 "Revenue from contracts with customers" as part of the Companies (Indian Accounting Standard) amendment rules, 2018. The new standard is effective for accounting period beginning on or after 1 April 2018. The adoption of the standard did not have any material impact on the above financial results of the Company.

Standards issued but not yet effective

IND AS 116 – Leases

On 30 March 2019, the Ministry of Corporate Affairs (MCA) notified Ind AS 116, "Leases" as part of the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2019. Ind AS 116 replaces existing standard on leases i.e. Ind AS 17, with effect from accounting periods starting on or after 1 April 2019. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize a right-of-use asset over the underlying leased asset and a lease liability representing its obligation to make lease payments for all leases with a term of more than 12 months, unless the underlying asset is of low value.

Other Amendments on the existing standard not yet effective:

A number of other accounting standards have been modified on miscellaneous issues with effect from 1 April 2019. Such changes include clarification/guidance on:

- a) Income tax consequences in case of dividends (Ind AS 12 – Income Taxes (amendments relating to Income tax consequences of dividend));
- b) Accounting for Income tax when there is uncertainty over income tax treatment of an item by tax authorities (Ind AS 12 - Income Taxes (amendments relating to uncertainty over Income tax treatments));
- c) Accounting treatment for specific borrowings post capitalization of corresponding qualifying asset (Ind AS 23 – Borrowing Costs);
- d) Accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long term employee benefit plans (Ind AS 19 – Plan Amendments, Curtailment of Settlement).

The above amendments will come into force from 1 April 2019. Basis the preliminary evaluation, the company does not expect the effect of this on the financial statements to be material.

3. Summary of significant accounting policies

a) Overall consideration

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

Basis of preparation

The financial statements have been prepared on going concern basis under the historical cost basis except for the following –

- Share based payments which are measured at fair value of the options

b) Revenue recognition

Revenue arises from the supply of power. Revenue is recognised when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebates and taxes. The Company applies the revenue recognition criteria to each separately identifiable component of the sales transaction as set out below.

Service income

Revenue from Power Consultancy/ Advisory Services is recognised when services are rendered.

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

c) Borrowing costs

Borrowing costs include interest and amortisation of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/ development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Any income earned on the temporary deployment/ investment of those borrowings is deducted from the borrowing costs so incurred. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

d) Property, plant and equipment

Recognition and initial measurement

Properties, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013:

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2015 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

e) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period in the range of three to five years from the date of its acquisition.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as at 1 April 2015 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of intangible assets.

f) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

g) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, unless the financial instrument is designated to be measured at fair value through profit or loss or fair value through other comprehensive income.

Financial assets

Subsequent measurement

Financial assets at amortised cost – The financial assets are measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at Fair Value through other comprehensive income or Fair value through profit and loss based on Company's business model. All investments in mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When

Notes Forming Part of the Financial Statements

of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) for the year ended 31 March 2019

an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

h) Investments in subsidiaries, joint ventures and associates

The Company has accounted for its subsidiaries and associates, joint ventures at cost in its financial statements in accordance with Ind AS 27, Standalone Financial Statements.

Profit/loss on sale of investments are recognised on the date of the transaction of sale and are computed with reference to the original cost of the investment sold.

i) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, life time impairment loss is provided otherwise provides for 12 month expected credit losses.

j) Inventories

Inventories are valued at the lower of cost derived on weighted average basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of consumption, including octroi and other levies, transit insurance and receiving charges.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated necessary costs to make the sale.

k) Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in OCI or directly in equity.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss in OCI or equity depending upon the treatment of underlying item.

Deferred income taxes are calculated using the liability method. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss in OCI or equity depending upon the treatment of underlying item.

l) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits with banks/corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

m) Post-employment, long term and short term employee benefits

Defined contribution plans

The Company makes contribution to the statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provision Act, 1952 which is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the services are rendered.

Defined benefit plans

Gratuity is post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

n) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

o) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties under the relevant tax jurisdiction (see note 6).

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Provisions – At each balance sheet date on the basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions. However the actual future outcome may be different from this judgement.

Significant estimates

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be different.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Useful lives of depreciable/ amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

33. Financial instruments

(i) Financial instruments by category

All Financial Instruments i.e. Cash & Cash Equivalent, Loans and Other financial liabilities are measured at amortised cost.

(ii) Risk Management

The Company is exposed to various risks in relation to financial instruments. The main types of risks are credit risk and liquidity risk. The most significant financial risks to which the Company is exposed are described below:

Credit risk

Credit risk is the risk that a counter party fails to discharge an obligation to the Company. Credit risk arises from cash and cash equivalents. The Company’s maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at 31 March, as summarised below:

(Amount in ₹ Lakhs)

Particulars	31 March 2019	31 March 2018
Investment	-	40.69
Cash and cash equivalents	1.39	7.47
Loans	0.01	0.17

The credit risk for cash and cash equivalents is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

The Company’s management considers that all of the above financial assets that are not impaired and/ or past due for each of the above assets reporting dates under review are of good credit quality

Liquidity Risk

The tables below analyse the Company’s financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated Financial Statements of **RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited)** ('the Holding Company') and its Associate ("the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs (financial position) of the Company as at 31 March 2019, and its Consolidated Loss (consolidated financial performance including other comprehensive income), its Consolidated cash flows and the Consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards on Auditing are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

4. The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the Information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon.
5. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
7. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management's and Those Charged with Governance for the Consolidated Financial Statements

8. The Holding Company's management and Board of Directors are responsible for the preparation of these Consolidated Financial Statements that give a true and fair view of the Consolidated state of affairs, Consolidated Profit or Loss and other comprehensive income, Consolidated statement of changes in equity and Consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.
9. In preparing the Consolidated Financial Statements, the respective management and Board of Directors of the entities

Independent Auditors' Report (contd.)

included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

10. The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the entities has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of the Consolidated Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entities ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding company and its Associate) to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for directions, supervision and performance of the audit of financial information of such entities.
13. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.
14. We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

16. The Consolidated Financial Statements include the share of net loss of ₹ 1,30,739.71 Lakhs for the year ended March 31,

2019, as considered in the consolidated financial statements, in respect of associate, whose financial statement/financial information have not been audited by us. These financial statements/financial information have been audited by other auditor whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate is based solely on the report of the other auditor.

Report on Other Legal and Regulatory Requirements

17. As required by section 143(3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Financial Statements;
- b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books;
- c) the Consolidated Financial Statements dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;

Annexure A to the Independent Auditors' Report

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF RATTANINDIA INFRASTRUCTURE LIMITED (FORMERLY KNOWN AS INDIABULLS INFRASTRUCTURE AND POWER LIMITED), ON THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2019

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of **RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited)** ("the Holding Company") as of 31 March 2019, we have audited the internal financial controls over financial reporting (IFCoFR) of the Holding Company and its Associate as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its Associate company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding company and its Associate company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entities policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding company and its Associate Company IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding company and its Associate company IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Holding company and its Associate company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the respective entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) for the year ended 31 March 2019

1. Corporate Information

Nature of Operations

RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) ("the Company") was incorporated on 9 November 2010 with an authorized share capital of ₹ 50 lakhs divided into 5 lakhs equity shares of face value of ₹ 10 each. During the financial year 2011-12, the face value of equity share was reduced to ₹ 2 per share. Pursuant to that, the authorized capital was increased by ₹ 29,950 lakhs and ₹ 500 lakhs during the financial year 2011-12 and 2013-14 respectively. It was further increased by ₹ 4,500 lakhs during the financial year 2015-16 resulting in total authorized capital of ₹ 35,000 lakhs. The Company's objects enable it to carry on the business of generating, developing, transmitting, distributing, trading and supplying all forms of the electrical power energy and to establish commission, set up, operate and maintain electric power generating stations and do all other related and ancillary objects.

Pursuant to and in terms of the Court approved Scheme of Arrangement under Section 391 to 394 of the Companies Act, 1956, by and among Indiabulls Real Estate Limited, RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited), Indiabulls Builders Limited, RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (RPL), Poena Power Supply Limited and their respective shareholders and creditors (Scheme 2011), which had been approved by the Hon'ble High Court of Delhi vide its order dated 17 October 2011 and came into effect on 25 November 2011, with effect from 1 April 2011 i.e. the Appointed Date, - (a) The Power business undertaking of Indiabulls Real Estate Limited (IBREL) which included the IBREL investment in the Company, stood demerged from IBREL and transferred to and vested in favor of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) (RIL) which had the effect of making RIL the Promoter Group/holding company of the RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) :-

- Certain Assets comprising of Fixed Assets and Loans and Advances in the IBREL aggregating to ₹ 18.40 lakhs have been transferred to the Company, at their book values;
- The Equity Share Capital of the Company amounting to ₹ 5 lakhs was cancelled;
- The Investment in RPL amounting to ₹ 59,250 lakhs had been transferred from IBREL to the Company;
- The net adjustment for such transfer of assets, liabilities and cancellation and issue of Equity Share Capital amounting to ₹ 35,079.82 lakhs has been shown in the Capital Reserve Account;
- Pursuant to the Scheme on 25 November 2011, the Company has issued and allotted 11,885.87 lakhs Fully Paid up Equity Shares and 843.70 lakhs Partly Paid up Equity Shares to the shareholders of Indiabulls Real Estate Limited, who were holding the shares, as on the Record Date i.e. 8 December 2011, in the ratio of 2.95:1.

Pursuant to the Scheme, the Authorized Share Capital of the Company has been reorganized to ₹ 30,000 lakhs divided into 15,000 lakhs Equity Shares Face Value of ₹ 2 each.

In terms of the Court approved Scheme of Arrangement which came into effect on 2 June 2012 (Effective Date), Indiabulls Infrastructure Development Limited (IIDL scheme 2012) was merged with RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (the Holding Company) as a going concern with effect from 1 April 2012, the Appointed Date under the Scheme, upon which the entire undertaking and the entire assets and liabilities of IIDL stand transferred to and vested in RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) at their book values. Pursuant to the Scheme as aforesaid, an aggregate of 4,154.07 lakhs Equity Shares of face value ₹ 10 each in RPL were issued and allotted in favor of the IIDL shareholders as on the Effective Date, thereby increasing the paid up capital of RPL to ₹ 264,273 lakhs divided into 26,427.30 lakhs Equity Shares of face value ₹ 10 each. Consequent to issuance and allotment of Equity Shares to IIDL, RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) (RIL) ceased to be the holding company of RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) w.e.f 20 June 2012.

During the financial year 2014-15 pursuant to the announcements on restructuring of the promoters' inter-se roles, there have been declassifications in respect of certain Promoters/Promoter Group Entities/Persons Acting in Concert with Promoters (PACs) of the Company, as was intimated by the Company to NSE and BSE (the Stock Exchanges) on 18 July 2014 and 28 October 2014 respectively.

Pursuant to an understanding arrived at between the erstwhile promoters of the Indiabulls group namely, Mr. Sameer Gehlaut, Mr. Saurabh Mittal and Mr. Rajiv Rattan, during the financial year 2014-15, Mr. Sameer Gehlaut and Mr. Saurabh Mittal relinquished the ownership rights, management and control as also the supervision of the Power Business. Accordingly Mr. Sameer Gehlaut and Mr. Saurabh Mittal transferred their direct and indirect shareholding in power group entities to Mr. Rajiv Rattan and the entities owned and promoted by him pursuant to an inter-se transfer and subsequently resigned from their directorships and chairmanship/ vice chairmanship of the Power Business respectively. Thus the ownership, management

and control of the Power Business and its supervision rights came to vest with Mr. Rajiv Rattan who also assumed the Chairmanship of the Power Business.

During the financial year 2014-15, in accordance with the provisions of Section 13 and other applicable provisions of the Companies Act, 2013, company has received fresh certificate of incorporation consequent upon change of name, from the Registrar of Companies, National Capital Territory of Delhi & Haryana, dated 3 November 2014 in respect of the said change. Accordingly, the name of the Company was changed to 'RattanIndia Infrastructure Limited'.

General information and statement of compliance with Ind AS

The consolidated financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act, 2013 read with the Companies [Indian Accounting Standards ("Ind AS")] Rules, 2015 (by Ministry of Corporate Affairs ('MCA')) and relevant amendment rules issued thereafter. The Company has uniformly applied the accounting policies during the periods presented.

The consolidated financial statements for the year ended 31 March 2019 were approved by the Board of Directors on 20 May 2019.

2. Recent accounting pronouncements

New Accounting Pronouncement adopted by the company during the financial year

The Ministry of Corporate Affairs, on 28 March 2018, notified Ind AS 115 "Revenue from contracts with customers" as part of the Companies (Indian Accounting Standard) amendment rules, 2018. The new standard is effective for accounting period beginning on or after 1 April 2018. The adoption of the standard did not have any material impact on the above financial results of the Company.

Standards issued but not yet effective

IND AS 116 – Leases

On 30 March, 2019, the Ministry of Corporate Affairs (MCA) notified Ind AS 116, "Leases" as part of the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2019. Ind AS 116 replaces existing standard on leases i.e. Ind AS 17, with effect from accounting periods starting on or after 01 April 2019. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize a right-of-use asset over the underlying leased asset and a lease liability representing its obligation to make lease payments for all leases with a term of more than 12 months, unless the underlying asset is of low value.

Other Amendments on the existing standard not yet effective:

A number of other accounting standards have been modified on miscellaneous issues with effect from 01 April 2019. Such changes include clarification/guidance on:

- a) Income tax consequences in case of dividends (Ind AS 12 – Income Taxes (amendments relating to Income tax consequences of dividend));
- b) Accounting for Income tax when there is uncertainty over income tax treatment of an item by tax authorities (Ind AS 12 - Income Taxes (amendments relating to uncertainty over Income tax treatments));
- c) Accounting treatment for specific borrowings post capitalization of corresponding qualifying asset (Ind AS 23 – Borrowing Costs);
- d) Accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long term employee benefit plans (Ind AS 19 – Plan Amendments, Curtailment of Settlement).

The above amendments will come into force from 01 April 2019. Basis the preliminary evaluation, the company does not expect the effect of this on the financial statements to be material.

3. Summary of significant accounting policies

a) Overall consideration

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

Basis of preparation

The financial statements have been prepared on going concern basis under the historical cost basis except for the following –

Notes Forming Part of the Consolidated Financial Statements

of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) for the year ended 31 March 2019

- Certain financial assets and liabilities which are measured at fair value;
- Defined benefit plans – liability of which is recognised as per actuarial valuation; and
- Share based payments which are measured at fair value of the options

b) Principles of Consolidation

The consolidated financial statements relate to RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) (the Company) and RattanIndia Power Limited (formerly known as Indiabulls Power Limited.) (its Associate company). The consolidated financial statements have been prepared on the following basis:

- The audited consolidated financial statements of the associate company used in the consolidation are drawn upto the same reporting date as that of the Company i.e. 31 March 2019.
- Investment in Associate is dealt with in accordance with Ind AS 28 'Investments in Associates and Joint Ventures'. Effect has been given to the carrying amount of investments in associates using the 'Equity method'. The Company's share of the post-acquisition profits or losses is included in the carrying cost of investments.
- The excess of share of equity in the associate company as on the date of investment in excess of cost of investments of the Group, is recognized as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the consolidated financial statements.
- Following Associate Company has been considered in the preparation of the consolidated financial statements:

Name of the Company	Country of Incorporation	% of Holding As at 31 March 2019
Investment in Associate:		
RattanIndia Power Limited (formerly known as Indiabulls Power Limited.)	India	40.13%

c) Revenue recognition

Revenue arises from the supply of power. Revenue is recognised when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebates and taxes. The Company applies the revenue recognition criteria to each separately identifiable component of the sales transaction as set out below.

Service income

Revenue from Power Consultancy/Advisory Services is recognised when services are rendered.

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend income is recognised at the time when right to receive the payment is established, which is generally when the shareholders approve the dividend.

d) Borrowing costs

Borrowing costs include interest and amortisation of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/ development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Any income earned on the temporary deployment/ investment of those borrowings is deducted from the borrowing costs so incurred. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

e) Property, plant and equipment

Recognition and initial measurement

Properties, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the

intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013:

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2015 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

f) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period in the range of three to five years from the date of its acquisition.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as at 1 April 2015 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of intangible assets.

g) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

h) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, unless the financial instrument is designated to be measured at fair value through profit or loss or fair value through other comprehensive income.

Financial assets

Subsequent measurement

Financial assets at amortised cost – The financial assets are measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows,

Notes Forming Part of the Consolidated Financial Statements

of RattanIndia Infrastructure Limited (formerly known as Indiabulls Infrastructure and Power Limited) for the year ended 31 March 2019

and

- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at Fair Value through other comprehensive income or Fair value through profit and loss based on Company's business model. All investments in mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, life time impairment loss is provided otherwise provides for 12 month expected credit losses.

j) Inventories

Inventories are valued at the lower of cost derived on weighted average basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of consumption, including octroi and other levies, transit insurance and receiving charges.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated necessary costs to make the sale.

k) Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in OCI or directly in equity.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss in OCI or equity depending upon the treatment of underlying item.

Deferred income taxes are calculated using the liability method. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss in OCI or equity depending upon the treatment of underlying item.

l) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, demand deposits with banks/corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

m) Post-employment, long term and short term employee benefits

Defined contribution plans

The Company makes contribution to the statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provision Act, 1952 which is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the services are rendered.

Defined benefit plans

Gratuity is post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

n) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefit is probable, related asset is disclosed.

o) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties under the relevant tax jurisdiction (see note 6).

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Provisions – At each balance sheet date on the basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions. However the actual future outcome may be different from this judgement.

Significant estimates

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be different.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Useful lives of depreciable/ amortisable assets

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software, customer relationships, IT equipment and other plant and equipment.

34. Financial instruments

(i) Financial instruments by category

All Financial Instruments i.e. Cash & Cash Equivalent, Loans and Other financial liabilities are measured at amortised cost.

(ii) Risk Management

The Company is exposed to various risks in relation to financial instruments. The main types of risks are credit risk and liquidity risk. The most significant financial risks to which the Company is exposed are described below:

Credit risk

Credit risk is the risk that a counter party fails to discharge an obligation to the Company. Credit risk arises from cash and cash equivalents. The Company’s maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at 31 March, as summarised below:

(Amount in ₹ Lakhs)

Particulars	31 March 2019	31 March 2018
Investment	-	40.69
Cash and cash equivalents	1.39	7.47
Loans	0.01	0.17

The credit risk for cash and cash equivalents is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

The Company’s management considers that all of the above financial assets that are not impaired and/ or past due for each of the above assets reporting dates under review are of good credit quality

Liquidity Risk

The tables below analyse the Company’s financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(Amount in ₹ Lakhs)

31 March 2019	Less than 1 year	1-5 year	More than 5 years	Total
Non-derivatives				
Other financial liabilities	17.74	-	-	17.74
