RattanIndia backed Revolt Motors opens its first Dealership store in Uttar Pradesh

January 13, 2022: RattanIndia backed Revolt Motors, India's next gen-mobility company announced the expansion of its retail presence in Uttar Pradesh. The company opens its first store in Lucknow, Uttar Pradesh region and it is the 20th dealership store across the country.

Last month Revolt Motors opened three retail stores in Kolkata, Madurai and Coimbatore. All the new stores will be set up by retail partners across the key cities and it has plans to open in 45-plus new stores in 2022.

The Uttar Pradesh government has also introduced policies to encourage faster adoption of EVs in the state. The state government offers 100% Vehicle registration fees and road tax exemption for 2- wheeler EVs.

The RV400 comes with a 3KW (Mid Drive) motor, powered by a 72V, 3.24KWh Lithium-Ion battery that can churn out a top speed of 85km/h. The bike can be operated through the MyRevolt App, which offers connectivity features such as bike locator/Geo fencing, customised sounds that you can change with just a tap on the screen, complete bike diagnostics, battery status, historical data on your rides and KMs done, and also the option of locating the nearest Revolt Switch Station to swap your Revolt's battery at, and be on-the-move in less than 60 seconds.

RV400 features three riding modes - Eco, Normal and Sport – each suiting to the riding style and needs of the driver. Also, comes with Upside Down (USD) forks up-front and a fully-adjustable mono shock at the rear to give an unparalleled riding experience.

Revolt Intellicorp

Revolt Intellicorp is the next-gen mobility company, created for the smart world. Revolt is working with a vision of democratizing clean commutes using next-gen mobility solutions and a mission to create a future of next-gen mobility with 100% accessibility and 0% fuel residue. With technology at its roots and class-apart products, Revolt has introduced India's first AI-enabled motorcycle without compromising on the performance or aesthetics of a regular ride.

Revolt Intellicorp commenced operations in 2019. The company offers two EV models in India currently, in addition to a full range of genuine parts and accessories available through its authorized dealerships.
